

Alcal has been a leading installer of roofing products for over 40 years. Our experienced and knowledgeable team of estimators, project managers and roofers has the know-how to install a wide variety of roofing applications for commercial, residential, industrial and public work projects. We are certified by all leading manufacturers of today's best roofing products. We also have a dedicated repair and maintenance division to help extend the life of existing roofs. Whether it's a single-ply on a large commercial roof, clay tile on a custom residence or a small leak repair, we'll get the job done right.

Applications

- Asphalt Shingles
- Wood Shingles and Shakes
- Built-Up and Modified Roof Systems (Hot Asphalt, Cold Adhesive, Self-Adhered, and Torch Applications)

How we work makes the difference.

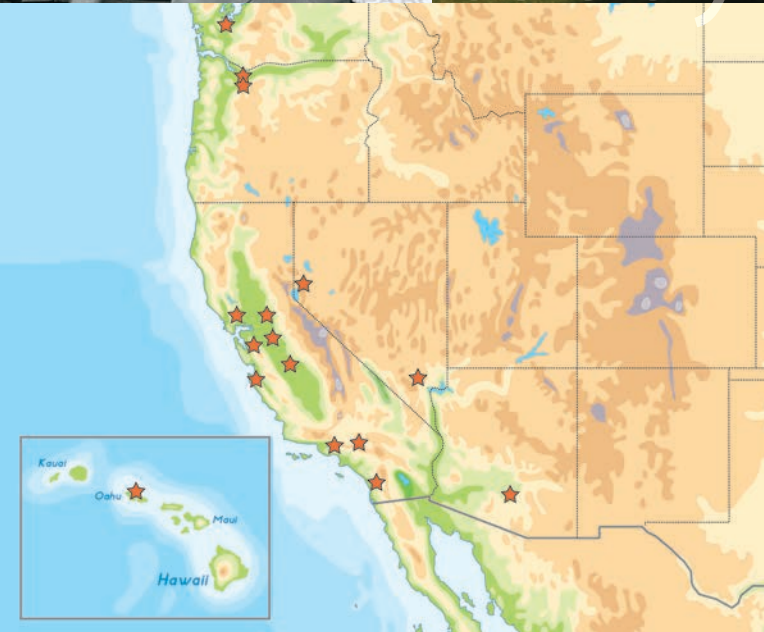

- Most stringent safety program and quality control in the industry
- Well-trained union workforce with E-Verified and OSHA-certified employees
- Class B licensed for multi-trade projects
- Green building and LEED experience
- Well-capitalized and diversified
- Financial strength and longevity to honor its warranties
- Feels like a family-owned business because it is one

You can count on us to follow through. That's because Alcal is a family oriented specialty contractor, owned by Pacific Coast Building Products, which was founded by Fred Anderson and has operated successfully for over sixty years.

Doing the job right is personal for us. We are creative problem-solvers with deep technical expertise. We keep in close touch so you know what's going on with the project at all times. We know that you can't make your timeline if we don't make ours. Most of all, we are committed to getting the work done right.

We offer multiple installed products including roofing, waterproofing, insulation, fire stopping, expansion joints, windows, garage doors, fireplaces, and mantels for commercial and residential projects.
